Guardian Name _____

Student Name _____

Wakefield Music Academy

Group Class Contract and Info Sheet

___ I understand that I (as the guarantor) am responsible for the entire course tuition (GROUP CLASS), even if I do not finish the course. This is due to my understanding that this seat has been held for this student and that another student cannot replace my progress. Exceptions can be made for military moves.

___ I understand that the total COURSE TUITION of group classes may be paid in full for a 10% discount or may be broken into monthly installments over the course time.

___ I understand that tuition for Make-up Classes and Private Catch-up lessons for Group Classes MUST be paid upon scheduling.

___ I understand that if I am in a group course and the group disassembles, my time may need changed to a private space available.

___ I understand that Wakefield Music will be closed for Spring Break, Thanksgiving week, Christmas Break, President's Day, Memorial Day, Labor Day and Air Force Appreciation Day (MH). My student's class may or may not continue over summer, depending on the consensus of the members of the class.

Class Expectations

___ I understand that class begins ON TIME and that if the student is late, quiet and non-disruptive entry is required.

___ I understand that it is the students responsibility to bring their book and homework sheet to class.

___ I understand that parent participation and involvement is expected. It is my responsibility to be present in the classroom and at home. It is my responsibility to join in and encourage the student participation.

___ I understand that the curriculum is a fast paced learning experience and that the student must practice at least 5 days a week to keep up. I will make sure that the student has the tools (Wakefield Music offers Rent to Own options on Keyboards), and encouragement to do so.

___ I understand that it is my responsibility to eliminate distractions during class, IE. SILENCE and put away cell phones, keep siblings quiet, etc.

___ I understand that all class participants are expected to be respectful to teachers, staff, instruments and other students/parents and follow instructions.

___ I understand that Wakefield Music Academy is a positive environment and will do my best to keep the classroom a happy, joyful, and fun learning environment.

___ I understand that at the end of each course there is an "in-studio" recital that the student will participate in. This is a positive thing for the student to invite friends and family to, and get recognized for their hard work and achievement.
